

Seeing Red

Painting Georgia With A Passion for the Vulnerable

Dear Potential Donor,

We hope you will join us as a sponsor for a very special and important event: the Inaugural Seeing Red Gala. On Thursday, August 8, 2019, the Gwinnett County Republican Party, a community staple organization, that informs and drives voters in support of conservative principles, will host this event at the Buford Community Center, in Buford Georgia. The event is designed to put a target on some of the most vicious attacks against children in our community: abortion, gun violence, homelessness, and leukemia, the number one childhood blood cancer. A portion of the proceeds from this gala will benefit Home of Hope at the Gwinnett Children's Shelter.

The 2019 Seeing Red Gala will include a silent auction and an exciting program to showcase how we as conservatives can combat these attacks on Georgia's most vulnerable. We expect 300 in attendance, primarily from Gwinnett County and the metro Atlanta area. Our supporter network includes many prominent businesses, community leaders, state and local level politicians, as well as many nonprofit and civic organizations and activists. The enclosed materials provide details about sponsorship. We also welcome donations for the event auction. We look forward to working with our sponsors to promote their involvement in the gala and build relationships that we hope can persist well into the future. Please contact me directly with any questions. Thank you for your time, consideration, and support.
